Our First Erasmus+ Trip

What a wonderful week our TY class and 5th year French students had in Viarmes, last week.

Viarmes is located just outside Paris and is a perfect location for exploring. Viarmes is twinned with Tubbercurry and the twinning committee headed up by Ms Dominique Nocture helped us hugely in planning our trip.

Of course a week like this was not possible without the meticulous planning of Ms Hussey. Ms. Hussey put a huge amount of work into organising the whole week and really made it such an enjoyable experience for everyone. We should also mention Ms Carey, Mr Dunlea and Mr Coggins who helped out during the week.

Collège Blaise Pascal

We would like to extend a huge word of thanks to the staff and students at Collège Blaise Pascal. Throughout the week they welcomed us into their classrooms, shared fun activities and brought us on a guided tour of Paris. A special mention to Arthur and Catherine, the English teachers in Collège Blaise Pascal for coordinating our visit to their school and organising joint trips for the students of both our schools.

Highlight of the trip

Indeed the highlight of the trip was watching the great relationships and bonds that were formed over the week between students from both schools. This really was a fantastic learning experience for our students, and we are looking forward to welcoming the students from Viarmes to Easkey in the near future. Well done to all involved.
